**UNLOCKING BARRIERS TO CARE**

## Broadening Horizons

To be held on  
Friday 4th Dec 2009

Brunei Gallery Lecture Theatre  
Ground Floor  
School of Oriental and African Studies (SOAS)  
University of London  
10 Thornhaugh Street  
Russell Square  
London WC1H 0XG

**Broadening Horizons  
Friday 4th Dec 2009**

Although there are myriads of challenges in providing optimum oral health care for Special Care patients, we now have more treatment modalities available and an evidence base regarding their use is emerging.

With this in mind, I would like to introduce the BSDH Winter Scientific Conference. The theme is to provide an insight into these developments and explore where these may be applied in Special Care Dentistry. The evidence base linking oral health to hospital acquired presentations, and MRSA carriage to dentures will also be explored.

This conference also marks the launch of the **BSDH Professional Consensus Statement on the Provision of Oral Healthcare under General Anaesthesia in Special Care Dentistry**. The document is not only an invaluable resource for clinicians but also a guide for Primary Care Trusts and Local Health Boards commissioning specialized services, and as a standard for the purposes of audit.

The Member's papers section includes presentations on valuable experiences to be shared with others who also may face the same clinical challenges.

I look forward to welcoming you in December.

**Navdeep Kumar  
President BSDH 2009**

Closing date for applications:

**Friday 20th November 2009**

- Applications received within 2 weeks of the conference will not be accepted
- Registration will not be possible on the day due to maximum capacity
