UNLOCKING BARRIERS TO CARE

Medical Problems in Dentistry 2

To be held on
Friday 2nd December 2011

School of Oriental and African Studies
Thornhaugh Street, Russell Square
London
WC1H 0XG

Continuing the theme of the May meeting held at the BMA, this is the second meeting dealing with Medical Problems in Dentistry. All speakers at the meeting will be members of the society.

The meeting will contain three keynote speakers, who will impart their own personal experience in differing areas of Special Care Dentistry, and will concentrate on the practical aspects of care by presenting case reports and guidelines, of the patients within their area of expertise. This will include Oral Mucosal Disease, Haematology/Oncology, and Transmissible Spongiform Encephalopathy.

There will also be two presentations, again by members of the society, who are undertaking work in the area of Medical Problems in Dentistry. One will be on guidelines developed on the medical risk assessment for adult dental patients and the other is an ongoing research project assessing the possibility of myocardial damage when patients undergo routine invasive dental procedures.

There will also be presentations from DCP's.

Roger Davies
President BSDH 2011

Closing date for applications:
Friday 18th November 2011

- Applications received within 2 weeks of the conference will not be accepted
- Refunds will not be possible for those delegates who cancel after the closure date (2 weeks before the conference)
- Registration will not be possible on the day due to maximum capacity

This meeting will attract 5 credits for CPD
